<b>TITLE:</b> Flat rate for Water & Sewer Connection		<b>DATE LAST REVIEWED BY MGMT:</b> May 10 <sup>th</sup> , 2017

**PURPOSE**

The purpose of this policy is to ensure we cover any costs associated with repairing roads after hooking up utilities to a standard that is acceptable to the Town of Killarney.

**1. POLICY STATEMENT**

The Town of Killarney is committed to establishing a policy that sets a flat rate of \$1300.00 for water and sewer connections.

The following regulations apply to all:

- Gravel material must be used from pit run up to pavement
- Pit run material must be used for base up to 1 foot below pavement.
- All works must be initiated and supervised by the Town Foreman or designated Public Works employee
